

WOODWORKING CLASSES

Hello Parents and Students I'm bringing my mobile woodworking studio (converted bus) back to TCPS for a "Build It" series **March 2, 9, 16 and 23, 2012, 3:15-5:00 pm**. This is a practical and productive class for motivated girls and boys in **1st -5th grades** who want to build toys and useful desktop projects with basic hand tools. They will saw wood in a miter box, shape and sand it, drill holes, turn screws and drive nails to construct their projects. Sheila Dawson, Instructor

To Register: Return the permission slip below to the office with your check payable to Sheila Dawson (\$100)

I will take 8 children and space is reserved on a first-come, first-serve basis.
Returning students are encouraged to engage in more complex projects.
This will be my only visit this school year.

**Please note these classes are almost 2 hours long.
Closed-toe shoes are required to participate (no crocks please).**

Permission Slip

TO: The Child's Primary School

Please register my child _____ grade _____
for the woodworking program being offered at the school on

Fridays

March 2, 9, 16 & 23

3:15 p.m. - 5:00 p.m.

I give permission to The Child's Primary School staff to release my child to Ms. Dawson for the woodworking class as noted above. I understand that for the duration of the class my child will be under the sole supervision of Ms. Dawson. Attached is my check to Sheila Dawson for \$100.
