

## Emergency Readiness Kit

In order to ensure that we have adequate supplies on site in the event of an emergency that may require students to remain on campus for an extended period of time, we ask each family to prepare an Emergency Readiness Kit for their child. All kits should be turned in to the homeroom teachers by the first day of school. Kits will be sent home with students at the end of the school year.

**Deadline: September 4, 2018**
