

TCPS Tiki Luau Gala and Auction

May 2, 2020 at The Mission beach Women's Club

What is a Sign-Up Party?

Sign-Up parties are fundraising events for adults, children, or families where guests pay to attend. The cost of the party is donated by the host(s) and the sign-up fees are a donation to the TCPS Auction benefitting the school! Consider co-hosting a party with one or more people to share labor and offset costs. Many Sign-Up parties can be done with very little expense.

How to plan a Sign-Up party!

Get together with a friend (or several), select the date and plan the budget (this is your donation). As the host, you set the theme, date, time, location, price and number of guests. The location may be at your home or out in the community. We can help you set the price per person.
