

Dear Community supporter:

In a year that has been like no other, we sincerely hope this letter finds you well.

TCPS is an educational 501c3, Kinder through 8th grade school, looking to **partner with our community for a brighter tomorrow**. We take pride in our "TCPS Way," focused on **building self-confidence and the joy of learning** in students.

Our upcoming spring fundraisers will raise needed funds **to enhance academic programs, maintain a 1:1 ratio for student technology and expand our arts curriculum**.

BE RECOGNIZED AND FEEL GOOD.

When you participate as an event sponsor or donate experiences or goods to our auction, **you will be recognized as an important community supporter of high quality education**. Your involvement will be acknowledged to current families, grandparents, alumni and extended friends throughout San Diego via event emails and webpages.

HELP US, HELP YOU. Our families are optimistically eager to return to normalcy and ready to support community businesses who support the success of our students and TCPS.

Together we can make a positive difference in education and our community.

Thank you for your kind consideration.
